

## SPRING TERM 2010 EXAMINATION SCHEDULE

Classes will continue through Thursday, May 6. Faculty must not require any academic work after 3:30 p.m. on May 6. There must be **NO** alterations to the published schedule. Adjustments must be made by the professor through the Academic Office. The last day of classes **must not** be used as an examination period; please remember that the faculty discourages any examinations during the last week of classes.

Examinations for Periods **G, M, W, and WY**  
**Make-up** Examinations for Periods **E2, E3, I, and T**

If a student has three examinations on one day, he or she must come by the Academic Office as soon as possible. The Academic Office will confirm the conflict and provide notification to faculty regarding the need for a make-up examination. If you have an examination for classes taken during period **A3 and have three exams on Monday, May 10**, you are eligible to take a make-up examination on the evening of Wednesday, May 12. If you have an examination for classes taken during periods **E2, E3, I or T and have three exams on Tuesday, May 11**, you are eligible to take a make-up examination on the evening of Thursday, May 13.

**If you wish to remain in the dormitory the night following your last exam, even if that is Thursday night, please go by the Student Services Office.**

**SECTION/CLASS PERIOD CODES indicates the time at which your class meets.**

**Locate corresponding period code above to find when your class exam will take place.**
