

Erskine College Mathematics Department The Roy M. Smith Mathematics Scholarship Program

The Erskine College Mathematics Department has been given a generous gift from the estate of Elizabeth B. Smith to fund a scholarship for mathematics majors. These scholarships, each award up to \$5,000 each year, will be offered annually to potential mathematics majors using the following criteria.

1. Commitment to major in mathematics.
2. Minimum SAT score of 1200, with a minimum score of 600 on the math portion of the SAT; or equivalent score on the ACT.
3. Interest and enthusiasm for mathematics as shown by high school work.
4. Maintain an overall GPA of 3.0 in mathematics.
5. Must take and complete at least one mathematics course each semester.
6. Students receiving this scholarship will be referred to as a Roy M. Smith Mathematics Scholar.

Each year the Roy M. Smith Mathematics Scholars will be reviewed with respect to ability, desire, and enthusiasm for mathematics.
