The Family Educational Rights and Privacy Act of 1974 (FERPA) affords certain rights to students concerning the privacy of, and access to, their education records. A student’s education records are maintained as confidential by Erskine College and, except for a limited number of special circumstances listed in that law, will not be released to a third party without the student’s prior written consent. A student may grant permission to authorized personnel of the College to release some or all of that student’s education records by completing this authorization and consent form. A consent form must be completed each academic year the student is enrolled.

I, _____________________________________, hereby consent and authorize Erskine College to release the following records upon the requests of the person(s) identified below:

CHECK ALL APPLICABLE RECORDS
