

Erskine College Campus and Community Resources

The below list of campus and community resources was compiled for the use of the entire campus community in seeking assistance related to discrimination and harassment, and specifically sex-based harassment, abuse, assault, or other misconduct.

In seeking assistance from campus resources, please review the **Erskine College Equal Opportunity, Anti-Harassment, and Nondiscrimination Policy** and note that College employees, with the exception of those identified as “Confidential Resources,” are considered “Mandated Reporters” as defined in the Policy.
