**Dear Dr. Adamson,**

On behalf of Lancaster Bible College | Capital Seminary & Graduate School, please accept my congratulations on your appointment as the eighteenth president of Erskine College. We celebrate this milestone occasion for both you and your institution!

As I am sure you are already aware, the role of a college president comes with many unique challenges, but also with incredible opportunity. I have found such joy in my role as President of LBC | Capital and pray that you will experience the same as you make crucial decisions, invest in the lives of students, and carry out the mission and vision of Erskine College.

If there is any way that I can assist you in your presidency, both now and in the future, please do not hesitate to reach out to me. I wish you much joy and success in your new role.

**Best,**
