

## **Assistant or Associate Professor of Chemistry – Physical Chemistry (Tenure Track)**

### **About Erskine College**

At the heart of Erskine College is its Christian identity. The mission of Erskine College is to glorify God as a Christian academic community where students integrate knowledge and faith, equipped to flourish as whole persons prepared for lives of service, leadership, and influence through the pursuit of undergraduate liberal arts, graduate, and seminary education.

### **Description**

Erskine College invites applications for a full-time, tenure-track position of assistant or associate professor in chemistry beginning January or August 2024. The ideal candidate will have a Ph.D. in Physical Chemistry, Analytical Chemistry, or a closely related field. A genuine enthusiasm for teaching in an undergraduate liberal arts environment is a must.

Erskine College prides itself on providing a Christian liberal arts education in a small, tight-knit community. Erskine boasts a collegial faculty who develop deep connections with one another. Faculty also develop close relationships with students both within and outside their respective disciplines. Erskine provides a rare opportunity to integrate one's Christian faith into the classroom. Therefore, candidates who seek employment at Erskine College should be professing Christians who are committed to exploring the intersections of faith and learning with students.

### **Responsibilities**

- Qualified Candidates should expect a teaching load to include general chemistry and associated labs each semester. In addition, physical and analytical chemistry courses and labs are taught on a biennial schedule.
- Candidates may also elect to teach/co-teach our seminar courses for juniors and seniors, inorganic chemistry, environmental chemistry, or a non-majors chemistry course and labs.
- Participation in undergraduate research and our active homeschool and outreach program is encouraged.
- After the first year of teaching, faculty will serve on college committees and advise students, both majors and non-majors.

## **Qualifications**

- Candidates must have a Ph.D. in Chemistry in hand by start date, ABD on case-by-case basis
- A personal relationship with Jesus Christ
- Commitment to Erskine's mission, vision, and statement of faith
- Willingness to offer spiritual support to students and staff

## **Application Process**

To ensure full consideration, interested candidates should complete the online application, which can be found [here](#). In addition, please provide the following:

- Resumé or curriculum vitae
- Cover letter
- Statement of faith describing the candidate's relationship with Christ and reflecting on how that faith affects teaching
- References (at least three)
