

## Assistant Professor of Biology

### About Erskine College

At the heart of Erskine College is its Christian identity. The mission of Erskine College is to glorify God as a Christian academic community where students integrate knowledge and faith, equipped to flourish as whole persons prepared for lives of service, leadership, and influence through the pursuit of undergraduate liberal arts, graduate, and seminary education.

### Description

Erskine College ([www.erskine.edu](http://www.erskine.edu)) invites applications for a tenure-track Assistant Professor position in the Department of Biology (start date Aug 2024). A broad background in biology and genuine enthusiasm for teaching in an undergraduate Christian liberal arts environment are essential. Previous undergraduate teaching experience is desired. We seek applicants who will complement and expand our existing departmental disciplinary strengths, particularly in the area of environmental biology. Earned Ph.D. by start date is expected, but exceptional ABD candidates will be considered.

### Responsibilities

Teaching load of 24 credit hours per year, with in person teaching of lecture and lab. Teaching responsibilities initially include introductory biology for science majors, Senior Seminar, and courses in field of specialty. Additional responsibilities include departmental, institutional, and church/community service. Faculty members are expected to embrace and support the Erskine mission statement. For additional information, please contact the search committee chair ([mina@erskine.edu](mailto:mina@erskine.edu)).

### Qualifications

- A personal relationship with Jesus Christ
- Commitment to Erskine's mission, vision, and statement of faith
- Willingness to offer spiritual support to students and staff
- List other qualifications, such as degrees and skills

### Application Process
