Assistant Athletic Trainer

About Erskine College

At the heart of Erskine College is its Christian identity. The mission of Erskine College is to glorify God as a Christian academic community where students integrate knowledge and faith, equipped to flourish as whole persons prepared for lives of service, leadership, and influence through the pursuit of undergraduate liberal arts, graduate, and seminary education. Erskine College is a member of Conference Carolinas in NCAA Division II.

Description

Erskine College seeks a Full-Time Staff Athletic Trainer for the 2024-2025 academic year. The position is for a full-time assistant athletic trainer. Primary responsibilities include providing athletic training services to Men's and Women's sports. The candidate will also be expected to aid in the daily operation of the Erskine College Athletic Training Center. This includes maintaining supply inventory, maintaining athlete medical records on ATS injury tracking software, and other duties as assigned. The candidate will be expected to act as a preceptor for the Health Science undergraduate program. The candidate is expected to uphold and agree with the mission statement of the college.

The successful candidate will possess the following:

- Degree from a CAATE-accredited institution
- Master's degree in athletic training or related field is preferred
- Two years of athletic training experience at the collegiate level is preferred
- BOC certified or eligible to sit for the BOC examination
- SC state certification or eligible for certification in the state
- Certified as a professional rescuer by the American Red Cross or an equivalent certification

Responsibilities include, but are not limited to, assisting Head Athletic Trainer with:

- Coverage of assigned sports' practices and games, home and away, including setting up, pre- and post-game treatments, response to injuries through on-field evaluations and first aid (this will include weekends and possible holidays)
- Responsible for the prevention, evaluation, treatment, and rehabilitation of athletic injuries for student-athletes
- Administer first aid to injured athletes and apply protective devices such as taping, bandaging, or bracing
- Communicate with athletes and coaches about the injury and the athlete's participation status
- Arrange and communicate medical appointments between physicians and athletes
- Assist in record keeping and documentation for files using Athletic Trainer System (ATS)
- Assist with daily functions of the Athletic Training Room
- Assist with supervision of student workers/interns in the Athletic Training Room
- Other duties as assigned

Other Qualifications:

The ability to understand and embrace Erskine's authentically Christian mission statement and positively share it within the duties of the position. Therefore, candidates who seek employment at Erskine College must be professing Christians who are committed to exploring the intersection of faith and learning with students.

Compensation includes the following:

- Salary based on experience and qualifications; base salary of \$50,000
- Housing assistance, ability to provide rentable on-campus housing
- Retention bonus available, \$3,000 retention bonus with two-year contracts
- Benefits package as provided by Erskine College
- Payment of national and state dues
- Funding for continuing education/professional development

Application Process

Applications will be accepted until the position is filled with plans to fill the position by July 1, 2024. To ensure full consideration, interested candidates should complete the online application, which can be found [here](#). In addition, please provide the following:

- Resumé
- Cover letter
- References (at least three)
