May 4

Commencement will begin at 10:00 a.m. It is traditionally held under the Towers of the Erskine Building. There are no reserved seats for parents, and any reserved signs placed on seats by the public will be removed. Seats are reserved for the seniors, faculty, Choraleers, marshals, press, and guests of the platform party. Please observe these reserved sections.

In the unhappy event that bad weather forces us to move inside, we will hold commencement in Belk Arena of the Galloway Physical Activities Center. Seniors and faculty will be seated on the floor of Belk Arena. There will be one reserved section to the speaker's right for guests of the platform party and one reserved section to the speaker's left for Choraleers. All other spectator seats will be available for parents and other family members on a first-come basis.

At 9:10 a.m., the seniors will gather on the steps at the entrance to Lesesne Auditorium for the official class picture. Following the picture, seniors will line up beside Reid Hall. Mr. Bradley will check the order of candidates for degrees as shown on the program and prepare for the processional at this time.

**** Students not present for the line-up cannot march with the class. ****

Seniors will then move in front of Reid Hall and await 10:00 a.m. when Sinfonia begins to play the processional. Student Marshals will guide the seniors in first followed by the Faculty and then the Platform Party.

Commencement will end approximately at 12:00 p.m.

Best wishes to all. It has been truly my pleasure to serve each of you.
