

Adjunct Mathematics Instructor

About Erskine College

At the heart of Erskine College is its Christian identity. The mission of Erskine College is to glorify God as a Christian academic community where students integrate knowledge and faith, equipped to flourish as whole persons prepared for lives of service, leadership, and influence through the pursuit of undergraduate liberal arts, graduate, and seminary education.

Description

Erskine College is seeking qualified applicants to serve as adjunct instructors in the Mathematics Department. The successful candidates will be responsible for teaching one or both of the following courses:

- MA107: College Mathematics
- MA205: Elementary Statistics

Applicants should be strongly committed to teaching excellence and able to engage and inspire students. Previous teaching experience and a relevant advanced degree are preferred.

Responsibilities

- Develop and deliver course content in accordance with the curriculum.
- Provide timely feedback and assessment of student performance.
- Maintain office hours to support and advise students.
- Collaborate with the Mathematics Department to ensure the quality and consistency of instruction.

Qualifications

- A personal relationship with Jesus Christ
- Commitment to Erskine's vision and mission
- Willingness to offer spiritual support to students and staff
- A master's degree or higher in Mathematics or a related field
- Previous teaching experience at the college level is preferred
- Excellent communication and interpersonal skills

Application Process

To ensure full consideration, interested candidates should complete the online application, which can be found [here](#). In addition, please provide the following:

- Resumé
- Cover letter
- References (at least three)
